#### NOT A PATENT MEDICINE.

**Hyomei, the Guaranteed Catarrh Cure, Prescribed by Physicians.**

No one should outcount Hyomei with patent medicines that are advertised to cure catarrh. It is as far superior to them all as the diamond is more valuable than cheap glass. Their composition is secret, but Hyomei gives its formula to all reputable physicians. Is it not foolish to try and cure catarrh by swallowing tablets or liquids? The only natural way to cure this disease and all other diseases of the respiratory organs is to breathe Hyomei. This treatment has been so successful, curing 99 per cent. of all who have used it, that Hyomei is now sold by Clarke & Co. under an absolute guarantee to refund the money if it does not cure. You run no risk whatever in buying Hyomei. If it does not possess unusual powers to cure, it could not be sold upon this plan.

#### Labor Day.

Yesterday was fittingly observed at Lexington as Labor Day. A general holiday was given by the factories and other industries, all of the business houses were closed afternoon. The parade of the Central Labor Council to the Fair Grounds was the biggest ever seen in Lexington. The Paris Elks' Band was one of the principal features of the parade. There was an excellent program of entertainment at the picnic grounds, and the success of the whole affair was a just tribute to the "sweat of the brow."
